

Occoneechee Council NESA Eagle Scout Registration

We invite you to become an active member of the Occoneechee Council National Eagle Scout Association. The purpose of this organization is to support Scouting in Occoneechee Council. We will accomplish this goal through the work of our operating committees. Proposed operating committees include: Eagle Gathering, Eagle Search, Eagle Service, and Eagles Helping Eagles Committees. One objective of the Eagles Helping Eagles Committee is for NESA adult Eagle Scouts to help young Eagles through the Eagle Scout Career Mentorship Program. Should you desire to participate in the Eagle Scout Mentorship Program, any information you provide below the dotted line will be released to new Eagle Scouts that have chosen a career path similar to your own. All other information will be used for Scouting purposes only. The Mentorship Program is just one way that a NESA member may contribute to the success of every young Eagle Scout in Occoneechee Council. There is no fee for Council registration. Register today and help all of Occoneechee's young men to grow and succeed.
